

C.A.T. (Congregational Assessment Tool) Survey Results

#1 - Demographics

Zion Lutheran Church ... *Who are we?*

Given our average weekly worship attendance is currently less than 70, the Transition Team set a lofty goal to receive 80-100 survey responses. We are pleased to report that 111 Zion members and friends completed the Congregational Assessment Tool! **THANK YOU** to all who took the time to share what's on your hearts and minds as we journey toward new pastoral leadership!

Over the next several weeks/months, we'll share survey results and findings.
