**Covenant with Parents—**

Parents, you play an incredibly important role in the spiritual growth of your children. Without your support and Christian witness at home, anything we teach and practice at church is greatly hindered. Actions speak louder than words. We ask you to:

- Spend time using Faith5 daily in your homes.
  - Share highs and lows together (meaningful conversation about your lives).
  - Read the Bible or a daily devotional.
  - Talk about how the reading applies to what is going on in your life right now.
  - Pray about your highs and lows. Thank God for the blessings in your family's life and ask God for help in the ways you each are struggling.
  - Bless each other! Make the sign of the cross on each other's forehead.
- Be faithful in worship. When you are in town, plan to come on Sunday morning. If you are out of town, do some research and find another church to participate in worship.
- Follow Jesus' example at home in word and action.
- Attend classes with your child(ren) when required and simply for fun.
- Encourage your child(ren) and show curiosity about their learning.
- Cooperate with the confirmation leaders, record keeper, and mentor to help your child meet deadlines in a timely manner.

I promise to support my child's faith journey using the above guidelines to encourage, promote, and grow in faith together with my child and with our congregation.
