## *Pastor's Corner*

Dear Friends in Christ,

We ask for a lot of volunteers around here. We ask you to volunteer your time, your abilities and passions, your knowledge, your material wealth, and your prayers.

In January, I attended an excellent day-long workshop titled Spirit-Focused Ecclesiology 1 sponsored by our synod. The Rev. Dr. Cheryl Peterson, Academic Dean at Wartburg Seminary was an inspiring speaker. One idea (among many) which stood out to me was simply switching out the word volunteer for disciple.

Why? Here are three reasons:

Jesus has made us disciples [John 8:31-32]

A disciple follows in the way of a teacher [John 13:13-17]

A disciple has certain expectations to fulfill [John 13:34-35]

When we ask for volunteers, it implies that we are asking people to give up or sacrifice something, which makes it more about what we are doing rather than about what God is doing through us. It also implies that we have one regular life which occupies the majority of our time, and we take a little bit of that life and give it up for God.

When we ask for disciples, it implies that we are asking people who follow Jesus to take up their responsibilities and to meet the expectations of their teacher. We do not live two lives; our lives as disciples are the only lives we

lead. Everything else flows from following Jesus' way of being in the world. It's a big shift for many of us, including for myself, but you'll notice me beginning to shift how I talk about our volunteerism. It will take me some time to change how I think about and express this concept, so don't feel awkward if you yourselves have a hard time with it. Following Jesus isn't about what we give up from our "normal" lives; it's about how following Jesus fills our whole lives and inspires us to contribute as a disciple in all things. Our congregation is so very grateful for the contributions you make on behalf of God's mission in this place. It is a true blessing to be together in discipleship!

*So let us not grow weary in doing what is right, for we will reap at harvest time, if we do not give up. So then, whenever we have an opportunity, let us work for the good of all, and especially for those of the family of faith.*  
-Galatians 6:9-10 [NRSVUE]

**Pastor Amy will be on vacation from February 22 through March 9. ## **Easter 2024 A Message from Bishop Laurie**

Rummaging for God

Christ is Risen! He is Risen indeed. Alleluia!

Does your house have a junk drawer? Do you ever find yourself going through this drawer full of stuff; feeling around looking for something that you are sure must be in there somewhere? Twist ties from bread wrappers, pens, batteries, rubber bands, nail clippers, scissors, matches, superglue, glass cleaner, coins, tiny screwdriver, ChapStick, charger cables, sticky notes... Rummaging

around in your junk drawer might seem like a strange illustration for an Easter message, but I invite you to consider your memory of past life events as your junk drawer.

Think back on last year's Easter celebration. What do you remember? Rummage around in those memories to see if you can find God. You are pretty sure God is there somewhere but where? Where did you experience God last Easter? Was it in church, at the sunrise service, a sermon, a Bible reading, a hymn, an Easter egg hunt in the park, a gathering with family or friends, or a walk in the woods later that day? How did you experience God and the miracle of Christ's resurrection last Easter?

Now, think back over your lifetime, a lifetime of Easter celebrations, for me that 66 Easters. Where did you see or experience God and the power of the resurrection, God's transforming love that defeated death and gives new life? Looking back over a day, a year, a lifetime is a spiritual practice called the Examen<sup>1</sup>. Essentially it is rummaging through our memories, looking for when and how God was present. The Examen is a form of daily prayer that invites us to examine our day to find God. Finding God in all things and at all times gives us the strength for that next most faithful step.

I wondered what must have been going through Mary Magdalene's mind as she walked to the tomb that first Easter morning. Was she rummaging through all the memories of her time walking with Jesus? Was she trying to remember every word Jesus said? Was she looking for a clue, some way to make sense of what happened on Friday? Where was God in all of this? How could this possibly bring in God's kingdom? She must have missed something. She saw him die. How could Jesus' death be part of God's plan? Mary arrived at the tomb and found the stone rolled away. She didn't find what she was looking for. The body wasn't there. It still made no sense. Did someone steal his body? She

knows that God is in all of this, but where? She continues to search with Peter and John and finally after they leave she enters the tomb and through her tears sees the angels and then a gardener, but not a gardener but the teacher, the risen Savior; and finally through her tears she sees God. (John 20)

Look back over a day, a year, a lifetime of trips you've made to some tomb. Was it the place that held the body of loved one, a dream that had died, a relationship that ended, or a hope that had been crushed? Rummage around in those memories to find what you know is there somewhere, God. Through the tears see the angels, the messengers; the ordinary people, those who helped you and see God!

Dear Friends, I invite you to rummage through all the memories in the junk drawer of life and find God. Think back over a lifetime, a lifetime of trips to the tomb and Easter celebrations. See God and the power of the resurrection. See God's transforming love that defeated death and gives new life. May seeing God in all of life give you the courage and strength to take your next most faithful step.

### ***Council Corner***

Here is a short summary of the congregational meeting on Jan 28th . The yearly reports and budget were discussed and all were approved. A couple of highlights were some slight changes to the budget:

- Cleaning up some budget line items that are no longer used.
- Adding Benevolence to the budget. Prior to this, it was only a goal that was noted along with the yearly budget. We are also changing how the benevolence money is distributed out to the 5 different organizations. We will be using a fixed percentage of the general fund giving as a means of determining the amount. If you have questions on how this will work, please ask a council member.

New council representatives were elected to a 3 year term. They are: Mary Wussow, Kevin Miller and Ray White.

The other agenda item was to decide what to do with the revenue from the Belgea/Zuelke gift. After some very good discussion, it was decided to go with the council's recommendation. That is as follows:

- 10% Tithe, this money is to be distributed locally, nationally and worldwide. We are establishing a small group of congregation members to investigate possible programs/uses and make a recommendation to the council.

If you are interested in being involved, please contact the church office or a council member.

- Pay off the balance of the building loan which is roughly \$64,000.
- The balance of the money is to be invested in CDs and/or money markets to earn some interest income.

Thank you to all that attended and took an active role in making decisions for our church.

Dan Thompson
