<p>Unfinished Business</p>	<p>a. Property/Rental Updates – No updates from Dan regarding the rental property. Robin got a couple names for the bell tower so we can bring them in to look at the tower and provide quotes/ideas. Property took a toothbrush to try and clean out the fine details of the sign, but there is a plexiglass cover that would need to be removed to get the sign thoroughly cleaned. There was a concern with the renter having a dog, when no pets are allowed. There was an eviction process started but it was a service dog that was temporarily there. The rental management company will be the one to pay Dan for mowing services.</p>	<p>Property/Rental Updates – No motions made.</p>	<p>Robin working on getting vendors in to look at the bell tower for quotes.</p>	
	<p>b. IT Updates– Streaming seems to be working out well but the playback of the streamed video is very choppy and may be a framerate issue. Brandon is having the IT company look into this to determine the cause and what needs to be fixed. All invoices have been paid. Brandon also plans on donating a new laptop for streaming purposes. At the end of the slide show there is a copywrite included for streaming purposes. All IT systems are now running through the new IT provider. However, system admin on the laptops is still through the old provider as is the website and email services.</p>		<p>Brandon is finalizing the streaming process and will do training once complete.</p>	

	<p>c. Custodial Position – - Maryel S excused & Carmella M taking over <i>Brenda C & June K interviewed Maryel Schoenfuss for the position – interview went very well and they are recommending offering the position to Maryel. 12 – 15 hours per week @ \$20.80</i> - Passed back to Maryel S after discussion and motion</p>	<p>Motion made by Dan T to offer position to Maryel at the current hours and wage. Brian second the motion. Motioned passed.</p>		
	<p>d. Mission Moment – Carmella to do a mission moment this Sunday to encourage people to volunteer as counters. 9/22 - Stewardship 9/29 - open 10/6 - open 10/13 - Trunk or Treat</p>
